Dear Parent/Guardian

Re: Parent Payments 2019

The Dimboola Primary School Council has approved the school's parent payment charges. The charge will be \$125 per child.

The Parent Payment Policy, and how the school will implement the policy, is available at the Dimboola Primary School Website. The 2019 list of payment items/services requested for your child's program is attached.

While payment is not required until the start of the 2019 school year we would appreciate payment by Friday 14th December 2018 (this may be done using cash, cheque or BPAY). EFTPOS along with all other methods of payment will be available from the start of the 2019 year at the school's office. Families who pay by the end of February 2019 will go into a draw to have their fees reimbursed.

The school appreciates that families may sometimes experience financial difficulty in meeting payment requests. A number of support options are available to parents who have difficulty making payments including the school's second-hand shop, State Schools Relief or the Camps, Sports and Excursions Fund.

If you are experiencing difficulty in making the requested payments please contact our Parent Payment Contact Principal, Greg Sampson by phone 5389 1270 or email dimboola.ps@edumail.vic.gov.au who you can have a confidential discussion with about alternate arrangements.

Some families have drought assistance credits available, especially in the junior year levels. Family statements can be quite confusing to read, therefore parents are encouraged to contact the office for financial information.

Parents/guardians are responsible for ensuring that their children are provided with essential educational items. The school makes every effort to keep the cost of items that need to be purchased to a minimum.

Yours sincerely,

Greg Sampson
Principal
