POLICY

1. School profile

Dimboola Primary School serves the township of Dimboola and the surrounding district. It is the only government primary school in the town of 1,700 people situated 35 kilometres west of Horsham on the Melbourne to Adelaide road. Roughly 20% of the

95 students are from farms up to 25 kilometres away.

Dimboola has a very strong community spirit that is proud of its social, sporting and cultural achievements. Agriculture, the hospital and the railways provide the main forms of employment in Dimboola.

The school has been at the present site since 1874 and the original brick building built 138 years ago. This has been refurbished in 2018 to improve the working space for the administration staff and library. A MOD 5 that was purchased as part of the Building the Educational Revolution houses the Year 4/5 and 5/6 students. The original brick kindergarten room built in 1930 now is used for specialist classes. An LTC block built in 1956 houses the majority of classes.

The grounds of the school are very spacious with 2 ovals, a large shaded area between the buildings, an indoor sandpit, a netball court, a basketball court, two adventure playgrounds as well as plenty of trees to provide shade and protection. Both adventure playgrounds have had hard shade structures put over them that are used to collect rainwater for use on the ovals.

Our entry consists of mosaics made by students laid into a path with 5 arches overhead to highlight the main entry to the school. This project was the result of safety issues with 2 gates and only 1 crossing and was an ideal opportunity to showcase the school and the work of its students in Art with Mrs French. Parent helpers provided invaluable support to ensure it was a success.

2. School values, philosophy and vision

Dimboola Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. All members of our school community have a right to experience a safe and supportive school environment. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Dimboola Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Dimboola Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- *warning a student that their behaviour is inappropriate*
- *teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour*
- *withdrawal of privileges*
- *restorative practices*
- *detentions*
